To the Editor,

We, the undersigned authors, submit the above manuscript for consideration for publication in The Journal of Cardiovascular Diseases and confirm the following:

1. Originality and exclusive submission: The manuscript is original, has not been published in another journal, and is not under consideration elsewhere. Any related publications, preprints, or overlapping material have been disclosed to the Editor.

2. Authorship and approval: All listed authors have made substantial contributions to the work, participated in drafting or critically revising the manuscript, approved the submitted version, and agree to be accountable for the work. All authors will approve any revised version before resubmission. Author contributions are stated in the manuscript.

3. Accuracy and integrity: The information, data, references, and images have been checked by the authors. No data or findings have been fabricated, falsified, or deceptively altered. All sources are appropriately acknowledged, and any required permissions for reproduced material have been obtained.

4. Ethics, consent, and confidentiality: Where applicable, ethics committee approval or an exemption has been obtained and documented. Required informed consent, including consent for publication of identifiable patient information or images, has been obtained. Patient confidentiality has been protected.

5. Disclosures: All sources of funding, relevant financial and non-financial conflicts of interest, and substantive use of AI-assisted technologies have been disclosed. Where applicable, the journal's separate AI Use Declaration Form accompanies this submission.

6. No publication charges: The Journal of Cardiovascular Diseases does not charge authors any submission, processing, peer-review, or publication fees.
